The Property

An extremely wide, imposing and impressive south-facing double-fronted house, ideally positioned on the corner of Astell Street in the heart of Chelsea. The house is exceptionally bright throughout, with its dual-aspect orientation enhancing the natural light and creating a wonderful sense of space. The layout offers a particularly lateral feel, rarely found in a freehold house, and is well suited to both family living and entertaining. Accommodation includes a delightful family kitchen/breakfast room, three generous reception rooms, and six to seven bedrooms, providing flexible and well-balanced living space, further complemented by the added benefit of a private garage and an additional external parking space.

The Location

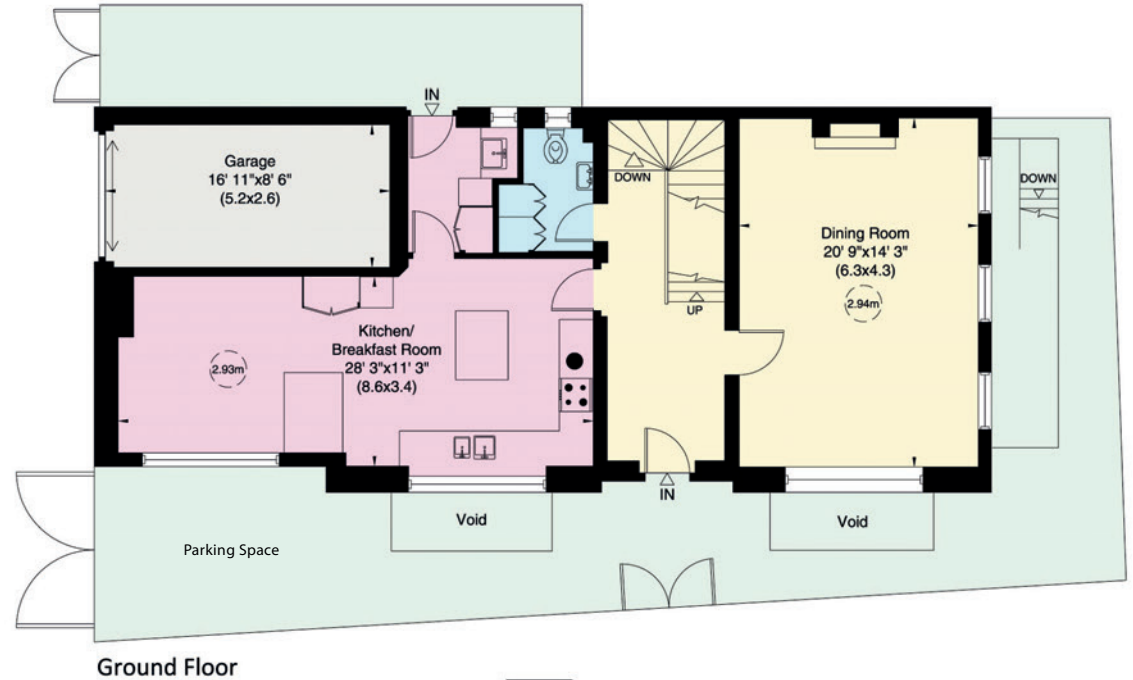

The house is located just a few hundred yards from one of Chelsea's most charming pockets, known as Chelsea Green, which enjoys a distinct village feel. This sought-after enclave offers a delightful array of independent cafés, restaurants, a traditional fishmonger, chemist, and other local amenities, creating a warm and community-oriented atmosphere. Despite its peaceful setting, the property remains within easy reach of the wider amenities of Chelsea, making it an ideal balance of tranquillity and convenience.
