ENERGY PERFORMANCE CERTIFICATE

An Energy Performance Certificate has been prepared in respect of this property and the results are shown in the adjacent charts. More information is available on request.

Energy rating and score

This property's energy rating is E. It has the potential to be C.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60
