LongDescription

This end terrace cottage has been a much loved home and in the same ownership for nearly 60 years! The accommodation is a little quirky with the shape of the cottage, but all of the rooms are a good size and comfortable, suitable for occupation now, with modernisation required over time. This property would ideally suit someone keen on DIY, with some friends in the trades.

There is a useful entrance porch leading into a light and spacious reception room to the front aspect with an impressive stone and brick fireplace, with gas woodburner (currently not operational). Beside this room, which is currently used as a dining room, there is a separate sitting room with a gas fire.

At the rear of the cottage, there is a spacious kitchen with well-used units and ample work surface, which would benefit from being updated.

Upstairs, there are two double bedrooms and a generous family bathroom, with an original suite and also a large, modern shower cubicle to one side.

Outside, a short step from the cottage, there is an area of garden which has been cultivated in the past and is currently covered to prevent weed growth, with a shed and greenhouse to one side.

Agents note: there is a right of way for neighbouring properties at the front and rear of the property.

Services: Mains gas, electricity, water & drainage
