From here, access is provided to the principal ground floor accommodation. The lounge/dining room is a bright and spacious reception area with ample space for a variety of seating and dining arrangements, making it equally suited to relaxing or entertaining. A feature walk-in bay window creates an attractive focal point while allowing natural light to flood the room and providing pleasant views towards the surrounding greenery. The kitchen has been thoughtfully refitted with a modern range of wall and base level units, creating a stylish and functional space that will appeal to modern buyers. Integrated appliances cater for everyday needs, while the well-planned layout provides excellent storage and preparation space, resulting in a room that is both practical and visually impressive.
