A spacious and well presented two bedroom garden flat in an elegant Victorian semi detached villa in the sought after residential area of East Teignmouth, with its own front and back doors. The accommodation comprises two bedrooms, modern kitchen, shower/wet room and living room. It has its own enclosed good sized rear garden, a shared parking area between the three flats in the building and a third share of the freehold. The property is situated a short walk from the train station and town.

Stepping into the property, the brand new carpets and neutral decor give it a warm comfortable feel. The entrance hall is a good size with plenty of space for coats and shoes with doors leading to the principle rooms and a storage cupboard which houses the "ideal" boiler. The living room is a particularly spacious and bright room thanks to the large uPVC window and patio doors leading out into the garden. The kitchen has been modernised to a high standard and comprises wall and base units, stainless steel sink and drainer with mixer tap over, plumbing for a washing machine or dishwasher and space for a tall fridge/freezer. There is also access into the garden via a door at the end of the kitchen.

The bedrooms are both good sizes, with bedroom one facing the front of the property and having two built in storage cupboards, while bedroom two has an outlook to the rear garden. The shower/wet room has an obscured uPVC window facing the front of the property and a white suite comprising wash hand basin, WC and shower with shower chair.

No onward chain.

Gas central heating and double glazed (except one small window in the living room).
