Property Description

A brick wall with a timber gate opens onto an expansive hardstanding driveway, providing off-road parking for up to four vehicles. The driveway extends to the side of the property, where there is ample space for a timber garden shed and convenient access into the rear garden. The front garden has been designed for ease of maintenance, being attractively laid with stone chippings.

A uPVC entrance door with double glazed inserts opens into a welcoming hallway, finished with wood-effect laminate flooring that continues the home's modern feel. Picture rails add a touch of character, creating an inviting introduction to the accommodation.

The lounge is a bright and spacious reception room, enhanced by a large bay window that allows natural light to flood the space. Decorated in neutral tones, the room comfortably accommodates a variety of lounge furniture and centres around a prominent chimney breast housing a gas flame fireplace, creating an attractive focal point for relaxing or entertaining.

The kitchen is stylish and practical. Finished with the same wood-effect flooring as the entrance hall, it features a range of shaker-style wall and base units complemented by laminated worktops and a tiled splashback. Integrated appliances include an electric oven and four-burner gas hob, whilst there is space for a slimline American-style fridge freezer, plumbing for a washing machine and a composite quartz one-and-a-half bowl sink with drainer, making the kitchen well-equipped for everyday living.

Opening from the kitchen is a delightful conservatory, offering a versatile additional reception space that could be utilised as a formal dining room, a peaceful sitting room or simply somewhere to enjoy views of the garden throughout the seasons. Finished with attractive tiled flooring incorporating a decorative central feature, the room enjoys direct access onto the rear garden via patio doors.

Stepping outside, the south-facing rear garden has been

thoughtfully landscaped to create a pleasant and low-maintenance outdoor space. A contemporary composite decked terrace provides the perfect setting for outdoor dining or relaxing in the sunshine, whilst a stone-chipped pathway leads along a neat lawn that has been carefully established by the current owners. Enclosed by timber fencing, the garden offers a safe and private environment to enjoy throughout the warmer months.

The primary bedroom is a generously proportioned double room, currently accommodating a super king-size bed with ease. Fitted wardrobes provide excellent storage, whilst pleasant views over the rear garden create a peaceful setting.

The second bedroom is another well-sized room, equally suited as a double or twin bedroom. Characterful picture rails complement the décor, whilst views over the front aspect complete the space.

The bathroom has also been modernised by the current owners and is fitted with a contemporary suite comprising a wash hand basin, WC and panelled bath with a rainfall-style shower above, complemented by a separate handheld attachment. Cushioned flooring and partially tiled walls with stylish micro tiling detailing complete the room.

Since purchasing the property, the current owners have carried out a number of improvements, including the installation of a new bathroom suite, together with the landscaping of the rear garden, creating the attractive lawn from seed and installing the composite decked seating area.
