Entering the home, you are welcomed into a splendid breakfast kitchen which immediately sets the tone for the quality and presentation found throughout. The space feels bright and welcoming, enhanced by a large Velux roof light and a window overlooking the front garden. The kitchen itself has been carefully designed to create a clean, seamless appearance, fitted with a comprehensive range of contemporary wall, base and tall units complemented by sleek stone work surfaces incorporating an inset stainless steel sink and drainer. A full range of integrated appliances are neatly built in, including a Neff induction hob, Neff oven, combination microwave grill oven, dishwasher, Bosch washing machine, fridge/freezer and wine cooler, ensuring the room works as effortlessly as it looks. At the center of the room a substantial island provides additional storage with open shelving and a wine rack, along with space for breakfast stools, creating an ideal spot for informal dining or a relaxed start to the day.

Just off the kitchen sits the second bedroom, a generous double room overlooking the front aspect and fitted with an attractive wall of wardrobes providing excellent storage. This room benefits from its own en-suite bathroom, fitted with a paneled bath with shower over, wash hand basin and WC, finished with stylish tiling and a heated towel radiator.

From the kitchen, a set of curved carpeted stairs rise gently to the middle level, where an oak framed glazed door opens into the impressive living and dining space. Oak flooring runs throughout the room and continues the sense of quality. This spacious room forms the natural heart of the home, offering a wonderful place both to relax and to entertain. The seating area is centered around an attractive fireplace with a log burning stove set upon a stone hearth, creating a warm and inviting focal point. Full height bi-folding doors draw in natural light and perfectly frame the far-reaching views across the Lyth Valley towards the distant Lakeland fells, while also opening directly onto the rear patio garden. To the rear of the room there is ample space for a dining area, making it perfectly suited for gathering with family and friends at meal times and a series of elegant wall mounted lights provide subtle mood lighting that enhances the atmosphere of the room during the evening.

Continuing upstairs, the principal bedroom enjoys a peaceful position with elevated views stretching towards the Lakeland fells. The room benefits from fitted furniture providing excellent storage and also incorporates a useful built-in linen cupboard which houses the boiler. The adjoining en-suite shower room has been finished to create a truly luxurious retreat, featuring attractive tiled floors and walls complemented beautifully by a matt black heated towel radiator. A striking walk-in shower spans the width of the room, fitted with an impressive shower tray and glass screen together with a waterfall style shower head and separate handheld shower. Recessed spotlights within the shower wall add a subtle design feature while enhancing the contemporary feel of the space.

Also located on this level is the third bedroom, currently arranged as a dressing room but easily adaptable as a guest bedroom, home office or study depending on individual requirements.

Outside, the property enjoys attractive yet easily maintained gardens to both the front and rear. The front garden offers a pleasant approach with paved and graveled areas complemented by planted borders, while to the rear a private enclosed stone-walled
