This is a great sized, five bedroom, detached house moments from Carlisle Park. Having been built by the current owners, the property has been well designed for family life. We are keen to show you - when are you free?

You are greeted by a large hallway leading onto a study, utility room and downstairs WC. The large reception room is a light and inviting space whilst the kitchen/diner is perfect for family life offering benefits such as underfloor heating and built in speakers in the ceiling.

Upstairs you have four double bedrooms on the first floor, the principle bedroom comes with an en-suite and there is a family bathroom too. We love the large landing that leads up to a fifth double bedroom and en-suite bathroom on the second floor.

The garden is ideal for a barbeque and drinks in the summer months, it also features an insulated summer house with internet and a hot tub. The front of the house comes with parking for multiple cars as well as a garage.

Wensleydale Road is a premier road in Hampton village, moments from Carlisle Park and a short walk to Hampton train station. You will also find many well regarded schools locally, both state and private, within walking distance.
