Finished with lovely décor throughout, the property is ready to move into and ideal for modern family living. Situated in a popular location close to local amenities, this attractive home combines comfort, convenience, and style—making it an ideal family home.

Entering the property through the front door, you arrive into a welcoming entrance hall, which provides immediate access to the main ground-floor living spaces and the staircase to the first floor.

To the right, the hall opens into a generously sized lounge, positioned at the front of the property. This room offers ample space for comfortable seating and benefits from good natural light, making it an ideal main living area.

Straight ahead from the entrance hall is the dining room, a well-proportioned central space that works equally well for family dining or entertaining. The kitchen is compact yet functional and well connected to the dining area for everyday use.

The staircase from the entrance hall leads up to the first-floor landing, which provides access to all bedrooms and bathroom facilities.

We are local, family run business who are wholly independent which means we can recommend services to most suit your needs. Our aim is to provide quality advice and expertise at all times, so you can make an informed decision whether buying or selling.

Estate agents are required by law to check a buyers /sellers identity to prevent Money Laundering and fraud. You do have to produce documents to prove your identity or address and information on your source of funds. Checking this information is a legal requirement to help safeguard your transaction, and failing to provide ID could cause delays. Corrie and Co, outsource these checks to speed up the process. The company does charge for such checks, please ask for more information and guidance on associated costs.
