For added reassurance, the flat is equipped with a 24-hour pull-cord Careline system, offering residents extra peace of mind.

Residents benefit from a secure entry phone door system and an on-site warden service. A lift serves all floors for ease of access. The development also features a residents' lounge and kitchen area for social gatherings, and a guest suite is available for visitors at a small charge.

The factoring agents, FirstPort, are responsible for the maintenance, cleaning, lighting, and upkeep of all communal areas, ensuring the building and grounds remain in excellent condition.

Heating and Glazing

The property benefits from electric night storage radiators and is fully double glazed.

Garden and Parking

The building has an attractive and elegant stone-faced elevation. There is a courtyard for residents' parking and beautifully landscaped gardens for the enjoyment of all residents.

Location

This street is quietly located in the very centre of Dalkeith, only some eight miles from Edinburgh. There are excellent bus services, a rail station, and very easy access to the City Bypass and other major road networks. Dalkeith offers numerous amenities including two large supermarkets, a modern school campus, a country park, and scenic riverside walks.

The property has been valued at £145,000, and the Home Report is available from the ESPC website.
