ABOUT A HACKNESS HOME
A wonderfully designed, three-bedroom home, the Hackness is a perfect proposition for first time buyers, those with a growing family or for anyone who wishes to enjoy a spacious, well designed home. An impressive central entrance hallway leads into the large living space with charming bay window – a perfect family room in which it's easy to picture yourself spending evenings together with family and friends. The hallway also leads through to the large kitchen / dining area, an ideal place to cook and spend mealtimes together – or take your evening drinks into your garden, with direct access through the charming bi-fold doors. The separate utility room will quickly become a home staple you wonder how you ever lived without. The addition of a convenient downstairs cloakroom and under stairs storage means you're unlikely to need to go upstairs until the day is over.

Upstairs, The Hackness doesn't disappoint, with a family bathroom and two bedrooms at the back of the house. The master bedroom – situated at the front has its own en-suite and is a perfect place to relax after a busy day.

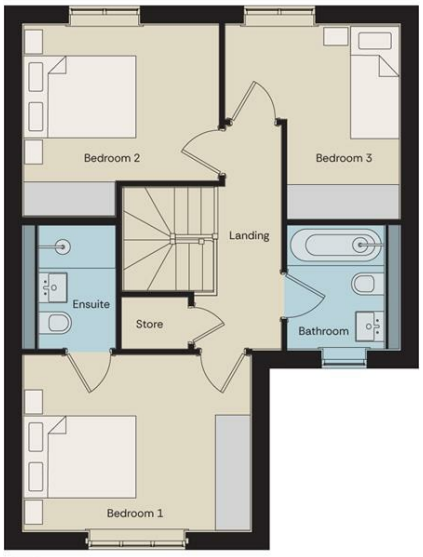

PLEASE NOTE
Some images are taken from a slightly different house type style to show you the closest resemblance to the house type you are currently viewing, due to us not having a show home of every house type. Please consult with the Beal Homes sales team for further information
