Situated in the popular village of Beacon, we bring to market this three bedroom end of terrace house which has well proportioned family living accommodation and would be ideal as a first purchase or for investment purposes. On entry, the hallway leads to stairs to the first floor. There are two reception rooms with the first at the front of the property and the second at the rear, serving as a reception room/diner. Access is given to the U-shaped format kitchen from reception 2/diner. The kitchen has a number of integrated appliances including a fridge/freezer, an electric oven and grill and an electric hob with an extractor hood above. From the kitchen, a rear conservatory gives access to the rear garden along with a downstairs WC. Stairs to the first floor lead to a T-shaped landing where you will find bedroom one and two at the front of the property. Bedroom three is sited to the rear and benefits from far reaching views over open countryside towards the North Coast. All three bedrooms are complemented by a family shower room with a large double shower enclosure. Externally, there is a low maintenance south facing front garden with a slabbed patio and central planting feature. The fully enclosed rear garden is accessed from the conservatory where there is a patio connecting to a path that splits a raised laid to lawn area and a raised planting border. The pathway leads to the rear of the garden where there is a large garden shed. In terms of location, Beacon village itself is within a short walking distance and provides local businesses and amenities including a butcher, a chemist, hairdressers, a fish and chip shop and a public house amongst others. The town of Camborne, within a five minute drive or so, offers further amenities including a main line railway station and bus services. Further afield, the coastal town of Portreath, with its beach and access to the South West Coastal Path, can be reached in around fifteen minutes by car whilst the largest area of woodland in West Cornwall, Tehidy Country Park along with Tehidy Park Golf Club, are within a similar distance. The property location is also within proximity to many other North Cornwall coastal towns as well as other surrounding attractions being easily accessible.
