

No.1

No.1 Meridian Close presents a rare opportunity to acquire a brand-new, A-rated home, carefully designed in the style of a traditional barn conversion.

Perkins Installations have constructed in Hampton rural red brick beneath a classic slate roof, ensuring it sits harmoniously within its rural surroundings as though it has always belonged. Contemporary enhancements have been carefully integrated, including matt black aluminium acoustic-glazed windows to enhance privacy without sacrificing natural light. The detached garage, clad in striking black charred timber, echoes the appearance of a heritage outbuilding, while solar panels and a twin air source heat pump system provide an efficient, environmentally responsible heating solution designed for year-round performance.

Internally, the light-filled accommodation is both generous and beautifully appointed. In addition to two separate reception rooms, a spacious open-plan living kitchen forms the heart of the home and opens onto the south-facing rear garden and patio. The bespoke 'living kitchen' features fully integrated appliances and elegant quartz worktops, with a separate utility room off providing practical support. Reeded glass doors, natural oak and porcelain add character, warmth and texture. Four well-proportioned double bedrooms include two with stylishly appointed en-suite bathrooms, and all enjoy open views to the rear.

The first of just three individual energy-efficient homes, this distinctive property offers the privilege of living beside open, biodynamically farmed countryside, free from pesticides and intensive farming, while remaining superbly connected. With direct access onto the A158, journeys to Lincoln, the East Coast, and the nearby market towns of Horncastle, Alford and Louth are both simple and convenient—ideal for modern family life. The village itself offers everyday essentials close at hand, including reputable schools, medical facilities, a popular pub, cafés and a traditional butcher.

Reception Hall -With intercom for the gate, porcelain floor tiles with underfloor heating which run throughout the whole of the ground floor. There are a combination of LED spotlights and wall lights and a bespoke oak staircase rising to the first-floor accommodation with under-stairs cupboard beneath. **Cloakroom** -
