An excellent opportunity to purchase an immaculate two-bedroom home ideally positioned between the popular villages of Radley and Kennington.

Built in 2021 as part of the sought-after Redrow Lawns development, this modern end-terrace property offers energy-efficient accommodation (EPC B) arranged over two floors. The end position allows for additional natural light thanks to extra side windows, creating a bright and airy feel throughout.

The ground floor includes a convenient entrance porch, a cloakroom and a spacious living room designed for comfortable everyday living. To the rear is a stylish kitchen/dining room fitted with integrated appliances, excellent storage and French doors opening directly onto the garden, making it ideal for entertaining or family meals.

Upstairs, the main bedroom benefits from its own contemporary bathroom finished in a clean, modern white suite. A second well-proportioned bedroom is served by a en-suite shower room.

Outside, the property provides off-road parking for two cars. Gated side access leads to a private, rear garden that enjoys a good level of seclusion and is mainly laid to lawn with patio seating areas.

Radley sits conveniently between Oxford and Abingdon and offers a range of everyday amenities including a village shop, public house, church and railway station with services to London Paddington. Regular bus routes provide quick access to both Oxford and Abingdon in around ten minutes. Cyclists can take advantage of National Cycle Network Route 5 for a traffic-free ride into Oxford, while the nearby Oxford Ring Road approximately two miles away connects easily to the A34 and A/M40 for wider travel.
