Our Vendor Loves...

"We are so sad to leave this flat; we honestly thought it would be our forever home. We've lived here at Fountain Court for 22 years and fell in love with it the first time we saw it. All the rooms are a great size, have high ceilings and are all really well-proportioned and bright. Our favourite spot is definitely the living room. It has a beautiful bay window that looks right out over the sunken formal gardens and the fish pond. We also love our patio because it has direct access straight into the main gardens. It's such a peaceful place to sit and listen to the birds or enjoy the morning and afternoon light, and it's where we love to have a drink in the evening no matter what the weather or time of year.

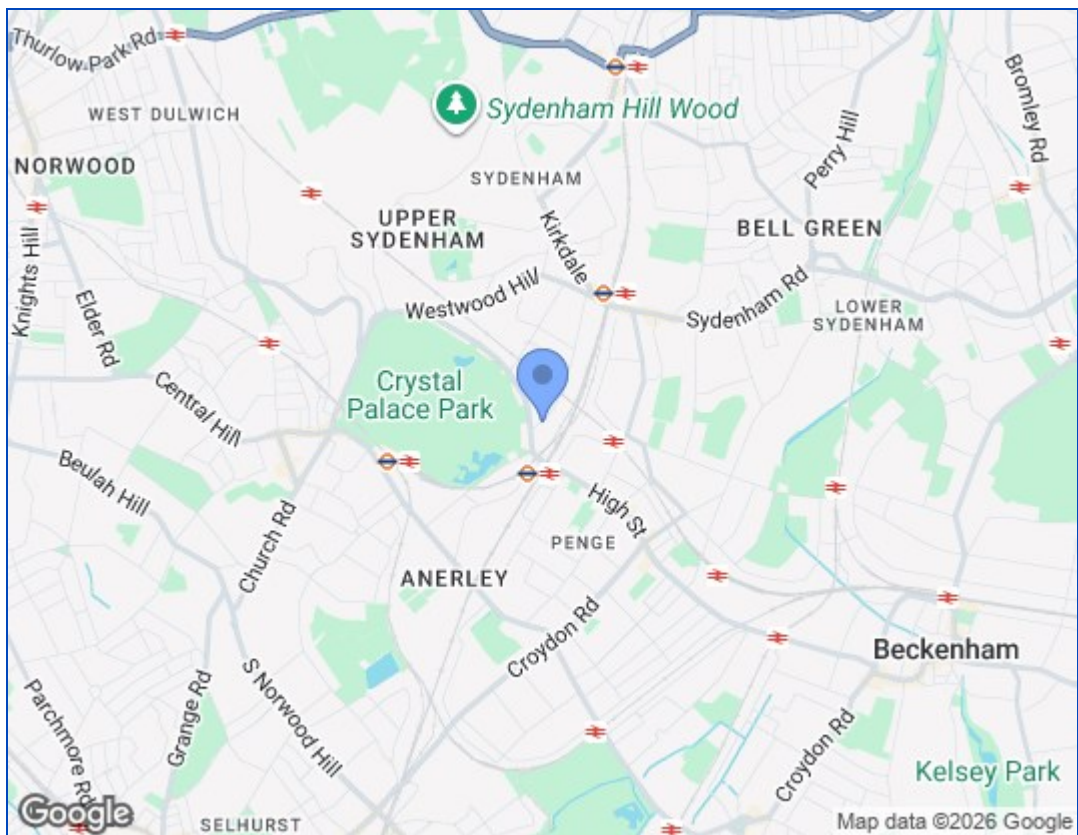

There's a real sense of community here, and many of our neighbours have become great friends"
