23 Brewer Street Brighton BN2 3HH

Offered for sale as an ongoing investment, ideally situated in a central Brighton location just off Lewes Road, this five-bedroom HMO is within walking distance of local amenities and Brighton University, with regular buses to Sussex University and the city centre nearby.

This five-bedroom, one-bathroom Victorian terraced house is arranged over three floors and offers significant potential for further enhancement, including the possibility of a loft conversion (subject to the necessary planning consents). Additional benefits include on-street parking and a westerly-facing courtyard.

The ground floor comprises a double bedroom to the front, featuring a large, double-glazed bay window and decorative coving, along with a single bedroom, an additional WC housing a 'Worcester' condenser boiler, and stairs to the upper and lower floors.

On the lower ground floor there is a spacious double bedroom to the front, a living room and a modern kitchen to the rear, fitted with modern, high-gloss white units with integrated oven and hob, and a double-glazed window and door opening onto the west-facing courtyard.

The top floor offers two further double bedrooms and a family bathroom, featuring a panelled bath with electric shower over.

The property has an HMO licence for 5 bedrooms, but is currently let to four students at £2,333 per calendar month, generating an annual income of £27,996 (the fifth bedroom is currently unoccupied), and has been re-let for the next academic year.

Conveniently located within walking distance of excellent bus services providing easy access to the universities and Brighton city centre, with local amenities available along the Lewes Road.

Early viewing is highly recommended.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		87
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F	55	
(1-20) G		
Not energy efficient - higher running costs
