An exceptional and beautifully presented country farmhouse set within approximately 7.5 acres of private grounds, enjoying breathtaking panoramic views across unspoilt countryside and an outstanding sense of seclusion, positioned around one third of a mile from the nearest road.

Approached via impressive wrought iron gates, a sweeping driveway leads through the grounds to the principal residence, creating a striking sense of arrival and immediately establishing the property's privacy, scale, and exclusivity. The setting is truly special—peaceful, elevated, and remarkably private, yet still within convenient reach of local amenities.

The farmhouse itself offers elegant, well-proportioned and versatile accommodation arranged over two floors, seamlessly blending period charm with refined modern living. The property features two beautifully appointed reception rooms, a traditional pantry, and a well-appointed kitchen forming the heart of the home, together with three to four bedrooms and two bathrooms, providing flexibility for both family living and guest accommodation.

The surrounding grounds are a defining feature, extending to approximately 7.5 acres of pasture, woodland and gardens, enhancing both the privacy and the stunning rural setting, with far-reaching views across open countryside. A range of substantial outbuildings further enhances the appeal, including two former holiday let blocks that now require modernisation offering excellent potential to be reinstated as high-quality accommodation or ancillary living space (subject to the necessary consents). In addition, there is a large agricultural building and a detached double garage, making the property ideally suited for equestrian use, business purposes, or lifestyle buyers seeking space and flexibility.

Of particular note, planning permission is in place for a substantial five-bed detached dwelling within the grounds, offering exceptional potential for multi-generational living or future value enhancement.

### OUTBUILDINGS AND HOLIDAY LETS

A particularly attractive feature of the property is the inclusion of two substantial detached outbuildings, formerly operated as successful holiday let accommodation, now offering exceptional scope for enhancement and income generation, subject to the necessary consents.

Although currently utilised for storage and requiring a programme of modernisation, the foundations are in place for a highly rewarding lifestyle or commercial venture. The setting is ideally suited to the holiday market, being within easy reach of Alton Towers, JCB, and surrounded by picturesque Staffordshire countryside—an increasingly popular destination for short-term stays and rural retreats.

The accommodation comprises a range of bedroom suites, many with en-suite facilities and some incorporating additional lounge areas, providing the basis for self-contained units. Further details, including measurements and layouts, are available upon request.

In addition, a second outbuilding offers excellent leisure potential, featuring a communal games and entertainment room with bar area, alongside a separate detached sauna suite complete with WC and shower facilities—ideal for creating a premium guest experience.

Altogether, these versatile buildings present a rare opportunity to develop a boutique holiday complex or multi-functional leisure space, adding significant value and appeal to an already impressive country residence.

### GROUNDS AND SETTING

The property is approached via impressive wrought iron gates opening onto a sweeping, tree-lined driveway, creating a striking sense of arrival. The driveway is flanked by the owner's land on either side, predominantly laid to lawn and enclosed by traditional dry stone walls, enhancing the rural charm and privacy.

The long frontage leads gracefully to the principal house, with its associated outbuildings and former holiday lets positioned within the upper part of the plot. A separate access extends beyond to a substantial agricultural building, ideal for machinery storage, workshop use or additional covered parking.

The grounds are a particular feature, comprising formal gardens, grassland and areas of woodland, offering both lifestyle appeal and potential for a variety of uses in a picturesque countryside setting.

### Location

Threapwood, on the outskirts of the highly regarded village of Alton, is a picturesque and sought-after rural location set amidst the beautiful Staffordshire Moorlands countryside. Known for its peaceful surroundings and scenic landscapes, the area offers an idyllic country lifestyle while remaining conveniently accessible.

The nearby village of Alton provides a range of local amenities, including traditional pubs, village shops

and primary schooling, whilst the internationally renowned Alton Towers Resort is just a short distance away, contributing to the area's popularity.

The location also benefits from excellent connectivity to nearby market towns such as Cheadle and Uttoxeter, with further access to larger centres including Stoke-on-Trent and Derby, making it well-suited for both commuting and leisure.

Overall, Threapwood offers a perfect balance of rural tranquillity and accessibility, making it an attractive setting for both permanent residence and lifestyle investment.

### AGRICULTURAL BUILDING

A substantial agricultural building situated within the grounds, providing extensive covered space ideal for the storage of tractors, machinery, vehicles or general equipment. The structure offers excellent versatility, suiting both agricultural and lifestyle uses.

Notably, planning permission has been granted for the building to be relocated within the boundaries of the property, offering flexibility for an incoming purchaser to reconfigure the layout to suit their individual requirements.

### Services

The property benefits from mains water and electricity to the main house, together with LPG central heating and a septic tank system, and further benefits from uPVC double glazing throughout.

Mains water and electricity are also connected to the former holiday let accommodation, with electricity supplied to the detached garage.

### Tenure

We are informed by the Vendors that the property is Freehold, but this has not been verified and confirmation will be forthcoming from the Vendors Solicitors during normal pre-contract enquiries.
