Beautifully Appointed Two-Bedroom Apartment in the Historic St. Margaret's Terrace

Introduction

Morgan Associates is delighted to present "For Sale", this beautifully appointed two bedroom, third floor apartment in the historic St. Margaret's Terrace. The property, situated in an impressive Grade II listed Regency Building, offers ample accommodation, residents parking and is within walking distance of Cheltenham High Street. The building has remained true to it's time with it's wide sweeping staircases, sash windows and beautiful cornices.

St. Margaret's Terrace was built in approximately between 1820 - 1825 by Hon. Katherine Monson. Hon. Katherine Monson was Cheltenham's famous female property developer, who built a number of regency buildings in the area before fleeing to Belgium to avoid bankruptcy charges.

Full Description

This charming apartment has been refurbished by it's current owners to create a tasteful living space that is in keeping with the character of the Regency building. Walking through the front door, you are welcomed by a generous entrance hall with access to each room. The hand-crafted, wooden kitchen offers a range of wall and base units with an integrated hob and oven. There is further built-in storage. The spacious lounge/diner offers high ceilings and beautiful views of Cleeve hill and has been decorated to a high standard.

Bedroom one has been tastefully decorated and offers lots of natural light through the large sash window. It currently holds a double bed with side cabinets, built-in shelves and a large wardrobe. The second bedroom can hold a double bed but it has the potential to be a fantastic office space. Completing the apartment is a stunning shower room with green and white finishings and bronze hardware throughout.

Residents parking is provided to the rear on a first-come-first-serve basis.

This property would make a fantastic first-time buy or investment. Early viewing is advised to avoid disappointment.
