| Energy Efficiency Rating                    |         |           |
|---------------------------------------------|---------|-----------|
|                                             | Current | Potential |
| Very energy efficient - lower running costs |         |           |
| (92 plus) A                                 |         |           |
| (81-91) B                                   |         |           |
| (69-80) C                                   |         |           |
| (55-68) D                                   |         |           |
| (39-54) E                                   |         |           |
| (21-38) F                                   |         |           |
| (1-20) G                                    |         |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |         |           |
|-----------------------------------------------------------------|---------|-----------|
|                                                                 | Current | Potential |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |         |           |
| (92 plus) A                                                     |         |           |
| (81-91) B                                                       |         |           |
| (69-80) C                                                       |         |           |
| (55-68) D                                                       |         |           |
| (39-54) E                                                       |         |           |
| (21-38) F                                                       |         |           |
| (1-20) G                                                        |         |           |

We have endeavoured to supply this information as accurate as possible. Before making an offer, buying or renting this property please seek independent or professional advice.

### High Road, NW10 2RX

Opportunity to obtain a fully fitted, established bakery to run within the area since 1938 with income from the upper levels... on a distinct and imposing corner, in the heart of the buzzing and continually improving the location. The property offers over 1620 sq ft of ground floor shop with preparation offices behind, and W.C's. All the equipment is included bread slices, freezers and fridges, a hot display machine, and food displays maintaining the food, ideal kitchens for supplying online food deliveries and 1100 sq ft on the first & floor set up as 8 H.M.O rooms.

The ground & first floor are being sold as a business at a rent of £32,000 going up to £38,000 in 2028 for a term of 20 years, producing an income on the first floor in excess of £50,000.

GROUND FLOOR WILL BE VACANT ON COMPLETION FIRST FLOOR OPTION

High Road is a main artery into London, on the cusp of North & West London, with plenty of transport connections, a complete high street of potential business, with a high residential area behind, and a lot of shops and offices to supply.
