## WHAT OUR VENDORS SAY

Our house is both cosy and light, with plenty of storage capacity, large windows and deceptively spacious rooms. The living room/dining room is a great place to relax. It has been a very happy first home for us. We love the willow tree in the front garden, which changes with the seasons, and the patio out back for hosting barbecues in the summer. Our neighbourhood is secure, quiet and friendly, with great amenities on our doorstep. We have a car, but appreciate not having to use it on a daily basis. We also enjoy going for walks in the nearby countryside.
