Ideally located, the property offers excellent access to a choice of highly regarded primary and secondary schools, the nearby market towns of Stroud and Cirencester, and a range of local amenities. Designed with family living in mind, the L-shaped accommodation is arranged over two floors, embracing the level gardens to create a private and secure outdoor space that makes the most of its stunning surroundings.

At the heart of the home is an impressive open-plan kitchen/ dining /family room, flooded with natural light and featuring double doors opening directly onto the garden and entertaining terrace. A welcoming entrance hall separates this space from the inviting sitting room, where a wood-burning stove provides a warm focal point for cosy evenings. The ground floor also benefits from a separate study, ideal for home working, together with a practical utility room.

On the first floor are four well-proportioned bedrooms. The dual-aspect principal bedroom enjoys delightful views and is complemented by an en-suite shower room. Three further bedrooms are served by a stylish family bathroom, complete with both a separate shower and a bath.

The gardens are a particular feature of the property. Parking is available to both the side and rear, with the majority situated at the rear alongside a newly constructed timber double garage. The upper

garden includes a variety of mature fruit trees and raised vegetable beds, while steps lead down to level lawns enclosed by established hedging. Two charming paved seating areas (one offering a shadier spot, are perfectly positioned for al fresco dining, summer barbecues and outdoor entertaining.
