4 Kerrocoar Drive presents an excellent opportunity for a purchaser looking to put their own stamp on a well-proportioned home with plenty of potential.

The property is now in need of refurbishment and modernisation throughout, but offers a surprisingly versatile layout arranged over several levels.

The main accommodation includes a dining room and kitchen, together with a separate utility/laundry area and bathroom. A spacious living room sits on its own level and measures approximately 20'5" x 11'1", providing a generous main reception space.

The upper floors provide three bedrooms, including a particularly good-sized primary bedroom measuring approximately 15'3" x 9'3", which also benefits from an adjoining walk-in wardrobe. The remaining two bedrooms provide flexible accommodation for children, guests or a home office.

A major feature of the property is the large detached garage, measuring approximately 18'5" x 20'11". Its size makes it ideal for anyone requiring substantial garaging, storage or workshop space and gives the property an additional point of difference.

Overall, this is a home that would benefit from a comprehensive programme of updating, but the existing accommodation, generous garage and scope to improve make it an exciting project for a buyer looking to create a home to their own specification.
