Introduction
This well appointed detached bungalow has accommodation comprising; entrance hall, dining/living room, garden room, kitchen, boot room/laundry room, three ground-floor bedrooms (one with en-suite), family bathroom and attic space. The property also benefits from; gas heating, double glazing, fully enclosed and newly landscaped rear garden, garage and ample off road parking.

Property Description
Entry begins into an entrance hallway with stairs to the first floor attic room. To the right is the living accommodation consisting of dining/sitting room with adjoining garden room, kitchen and adjoining lean to boot/laundry room. The dining/sitting room is a welcoming, light and airy room of good proportion with feature fireplace presenting the opportunity for a wood-burner or electric fire to be installed. Double doors with views of the garden lead out into a garden room that truly brings the outdoors in. The garden room boasts oak parquet flooring and a sliding door leading out onto newly laid patio ideal for Summer entertainment. Back into the dining/sitting room and with an almost open plan connection we find the kitchen. The kitchen has an attractive array of wall and base units under an walnut work top. The metro tiles on the walls add a slight contemporary edge to an overall country cottage styling that resonated from the choice of belfast sink and Shaker type cupboards. There is a gas hob with double oven under and extractor hood above as well as an integrated dishwasher, integrated tall fridge/freezer and tall pantry cupboard. Adjoining the kitchen as a lean to is a well designed and useful boot room with housing for a washing machine and tumble dryer. A door here leads to the rear garden.

Back into the entrance hall and we find a family bathroom, three bedrooms (one with en-suite). The master bedroom is a good sized double with front aspect and room for an array of bedroom furniture. The room benefits from having its own en-suite facilities to include a shower cubicle with chrome fitments, wall hung hand-basin, WC and window out. Bedroom two is also a good sized double with front aspect and again room for bedroom storage furniture. Bedroom three is a single bedroom with side aspect and is currently being used as a home office. The family bathroom has been tastefully styled with bath and shower over, hand-basin with vanity cupboard, WC, heated chrome towel rail and window out.

On the first floor is a room amongst the eaves with velux roof light and is currently being used as a hobby room. The loft is fully boarded with access doors each end for storage opportunity. This room offers flexibility in how it could be used from home office to occasional bedroom.

Garden
Number 27 boasts a well designed, securely fenced and delightful rear, private garden. There are three zones:
* An area of patio adjoining the garden room and boot room to encourage Summer entertainment
* An area of curved lawn adding shape and interest
* A raised area of patio with gazebo and raised planters, the perfect spot for a bistro table as the back drop is farmland with picket fencing and gate.

Garage & Parking
There is driveway parking for several vehicles in front and to the side of the property.

The garage is of very generous proportion and enjoys substantial opportunity for storage. There is power and lighting here and a personnel door leading into the rear garden.
