King's Lynn PE34 3BL

£189,995

Bedrooms: 3 | Bathrooms: 1 | Receptions: 1

Tucked away in the rural West Norfolk village of Tilney Cum Islington, backing onto a gentle waterway and open fields beyond, this three-bedroom semi-detached home offers an exciting lifestyle opportunity for those with vision.

This is a home that may benefit from updating, but with that comes genuine potential, a blank canvas where you can shape every detail to suit your own style and way of living. Offered to the market with no onward chain, it's the perfect prospect for first-time buyers, renovators or anyone looking to put their own stamp on a property in a peaceful countryside setting.

Step through the porch and into the home, where light-filled rooms provide a solid starting point for re-imagining the space. The living room, complete with a wood-burning stove, hints at cosy evenings ahead once refreshed, a welcoming retreat after days spent enjoying village life and the surrounding countryside.

The kitchen/dining room is ready to be transformed into the social heart of the home. Picture redesigning this space into the kitchen you've always wanted, opening it up for family meals, entertaining friends or simply enjoying slow mornings with views beyond.

A modern wet room, practical storage and a large conservatory complete the ground floor. The conservatory offers flexibility and, subject to planning permission, presents an opportunity to extend the main accommodation and create even more living space.

Upstairs, all three bedrooms are doubles, with two enjoying open views across the Norfolk countryside, a daily reminder of the home's idyllic setting.

Outside, the potential continues. The rear garden is currently laid to hardstanding with an outbuilding/workshop and ample storage, but offers scope to be re-imagined into a vibrant garden, outdoor entertaining area or peaceful retreat by the water. To the front, there is generous off-road parking.

For those prepared to roll up their sleeves, this is a rare chance to create a home that truly reflects you, in a location that delivers space, views and a slower pace of life.
