Flagstones Property Group is delighted to present this brand-new three-bedroom house, offering generous space, modern conveniences and a large garden. With three double bedrooms, ample storage and two car parking spaces, this home combines the appeal of a fresh new property with practical features for everyday living.

All three bedrooms are doubles, providing comfortable accommodation and the flexibility to use a room for guests or working from home. Storage throughout the property helps keep your living space organised, while a downstairs WC adds welcome convenience.

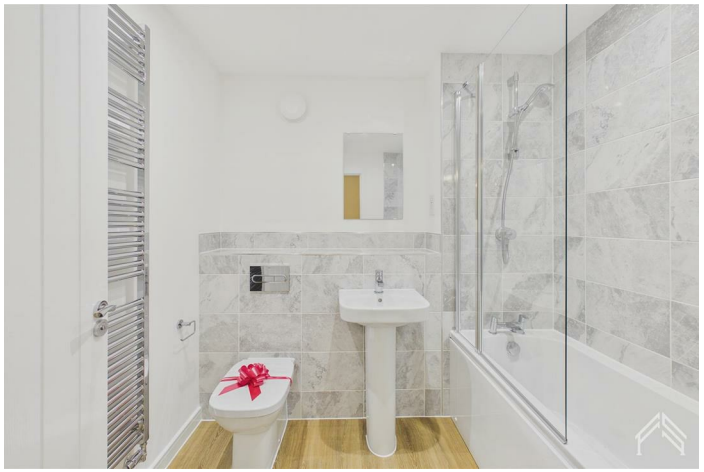

Everyday essentials are well covered, with a dishwasher, washing machine and dryer included, making household chores that little bit easier. Solar panels support more energy-efficient living and can help reduce reliance on electricity from the grid, while EV charging points add convenience for electric vehicle owners.

Outside, the large garden offers plenty of room to relax, dine outdoors and enjoy time with family and friends. Whether you are hosting a summer gathering or unwinding at the end of the day, this outdoor space is a standout feature. Two car parking spaces further enhance the practicality of the home.
