MARTIN THORNTON PLATINUM

Only by an internal inspection can one appreciate the deceptively spacious nature of this four-bedroom, detached family home. The property is situated on a good-sized corner plot off this ever popular residential development tucked away with only three other detached properties. It may prove suitable to the expanding family buyer or professional couple looking to access nearby Lindley Village with its various amenities, and the M62 motorway network serving Leeds and Manchester City Centres. The accommodation comprises an entrance hall with useful storage, downstairs WC, living room with bay window, open-plan kitchen diner, utility and integral garage (converted into an office space and a home gym). On the first floor, there are four double bedrooms, the master with an en suite shower room, and a modern house bathroom. The property benefits from a gas-fired central heating system and is predominantly uPVC double-glazed. Externally, a block paved driveway provides ample parking. At the rear, there is a private, fenced garden area with an Indian style patio, perfect for outdoor entertaining. The rear garden benefits from an easterly aspect. Viewing is highly recommended.
