Description

This generously proportioned three-bedroom home offers an excellent opportunity for buyers looking to establish themselves in North Uxbridge. With three good-sized bedrooms, excellent living space and the considerable advantage of a detached double garage, the property provides a comfortable home today with plenty of scope to personalise over time.

Accommodation

A welcoming entrance hall provides built in storage and access to the ground floor WC. There is a particularly impressive living room measuring approximately 18'5" x 12'5". Filled with natural light from the large window and glazed door opening onto the garden, this is a wonderfully spacious room with a separate dining area. The kitchen has fitted units, space for a breakfast table and chairs and space for appliances. There is a large window overlooking the front garden and a door to the front.

Upstairs, the sense of space continues with three well-proportioned bedrooms. The primary bedroom measures approximately 16'0" x 10'9", while the second is another particularly generous double at approximately 14'8" x 10'9". Bedroom three is also a comfortable size, making the layout particularly well suited to families. A family bathroom completes the first floor.

Outside

Outside, the property enjoys established gardens to both the front and rear. The rear garden provides a private setting for outdoor dining and entertaining, while a substantial detached double garage measuring approximately 16'6" square provides excellent parking, storage or workshop space.

Situation

North Uxbridge remains one of the area's most sought-after residential locations, particularly popular with families for its combination of established surroundings, access to well-regarded schools and proximity to the town centre.

Uxbridge High Street offers an extensive selection of shops, restaurants, cafés and leisure facilities, while Uxbridge Underground Station provides Metropolitan and Piccadilly Line services into Central London. The area is also well placed for access to the A40, M40 and M25, providing convenient connections throughout London and the wider motorway network.
