Occupying a brilliant position within the village of Wrington is this exclusive development of just a small number of retirement bungalows; No 9 enjoys a spacious garden to the rear with allocated off street parking and with gated rear access.

Entering the hallway, the first impressions of the property are fabulous, with neutral decoration and carpets, a feature that resonates throughout the property. There is also a handy airing cupboard along with a useful store cupboard. To the left of the entrance hallway lies a smart, fully fitted kitchen with plenty of space for a breakfast table. The sitting room is set to the rear of the kitchen and the French doors shower the room with excellent natural light and the electric feature fireplace is perfect for those cooler evenings.

The two bedrooms include a good-sized double room to the rear of the property that looks over the garden and a single bedroom. The bathroom is well appointed with a three-piece white suite.

Outside, the property has a lovely enclosed rear garden and a high degree of privacy, it is mainly laid to a low maintenance patio and includes a garden shed. A huge added benefit is a supremely convenient side gate that leads out to the front of the property and there is an allocated parking space within the cul de sac.

What we love about the property...

This beautifully presented bungalow is presented in excellent decorative order throughout and offers a turn-key opportunity for those buyers seeking a straightforward home to purchase with no added chain complications.
