Offers In The Region Of £489,000

Occupying a generous plot within a well regarded residential setting, this beautifully evolved detached home offers an exceptional balance of architectural style, flexible living space and everyday practicality. At its heart is a striking open plan kitchen and dining space designed for modern family life, where bi fold doors draw natural light through the interior and create a seamless connection to the garden beyond. The layout has been thoughtfully extended to provide a wonderful sense of versatility, including a dedicated study or fifth bedroom and a separate music room that also lends itself perfectly to a second lounge, playroom or quiet retreat.

The reception hall sets an elegant tone on arrival, complete with useful built in storage and access through to two distinct living areas. The kitchen/diner forms the social centre of the home with ample room for both relaxed mornings and larger gatherings, while the adjoining utility area and ground floor cloakroom add convenience without interrupting the flow of the living accommodation.

Upstairs, the bedrooms are particularly well proportioned, with the principal suite enjoying a dressing area and ensuite facilities. A second ensuite bedroom further enhances the sense of comfort and flexibility, while the remaining bedrooms are served by a beautifully appointed family bathroom. Throughout the property there is a clear emphasis on space, natural light and carefully considered design.

Outside, the rear garden has been arranged to complement the interior perfectly.
