Details

Entrance Lobby

An external uPVC door with opaque glazed panels gives access into the entrance lobby, which has herringbone patterned vinyl flooring and a staircase rising to the first floor accommodation. There is a radiator and a panelled internal door leading into the living room.

Living Room

This good-sized reception room is positioned at the front of the property and has uPVC windows. It has plenty of space for furniture and a fire surround incorporating an electric fire. There is coving to the ceiling, a useful under stairs storage cupboard and a radiator. A panelled door leads through to the dining kitchen.

Dining Kitchen

This room is positioned at the rear of the property and has an array of units to high and low levels, with matching worktops with upstands and a one-and-a-half bowl stainless steel sink with single drainer. Integrated appliances comprise an oven and hob with a canopy style filter hood above and a brick effect tiled splashback. There is a continuation of the herringbone patterned flooring from the entrance lobby, along with ceiling downlighting and a radiator. The room has space for a small dining/bistro table, a rear uPVC window and an external uPVC and glazed door. There is a useful walk-in storage cupboard and a larger walk-in cupboard/utility area, which has plumbing for an automatic washer and space for an additional appliance. This area also houses the Ideal boiler for the central heating system and has a high level uPVC window.

First Floor Landing

From the entrance lobby, the staircase rises to the first floor landing, which has a uPVC window to the side elevation.
