

Wellington Street, Matlock, DE4 3GS

This substantial four-storey home has a private parking space, splendid elevated far-reaching views, courtyard garden and an additional parcel of land to the side. With three double bedrooms and two large reception rooms, it is perfectly feasible for the living room to be used as a fourth bedroom.

Entering this attractive gritstone-built end-terrace home at ground level, the entrance hallway has doors off to the living room and a lovely family room at the rear. Stairs lead from here down to the kitchen-diner, utility room and pantry. Back up at ground level, stairs lead up to the first floor, where there are two double bedrooms and the bathroom, whilst on the top floor is another large double bedroom.

At the rear is a pretty courtyard garden, private parking space and L-shaped parcel of land behind the adjacent garages.

The thriving locale of Smedley Street nearby has a range of independent micropubs, eateries, hairdressers and delicatessen. Matlock town centre with its parks and riverside walks is at the bottom of the hill. Head uphill and there are countryside walks in all directions beyond the extensive Cavendish Playing Fields. The delights of the Peak District, Chatsworth House, Bakewell and Chesterfield are all within easy reach.

Front of the home

This four-storey gritstone home has a low-level stone wall at the front, with a 'kiss me kate' redclaw hedge above. A path between two ornate stone pillars leads to the front door with iron letterbox and handle.

Entrance Hallway

The carpeted hallway has a radiator, ceiling light fitting, stairs to the upper floors and pine doors with brass handles to the living room and family room.

Living Room

13'1" x 12'5" (4 x 3.8)

A lovely room with wide bay window brings natural light and exposed, painted floorboards. The focal point is the fireplace with original iron grate, decorative surround, tiled hearth and stone mantelpiece. Alcoves each side have fitted shelving. There is also a ceiling rose light fitting and radiator.

Family Room

12'9" x 12'5" (3.9 x 3.8)

Offering the first of several vantage points for some wonderful views across to Riber Castle, this room has a south-facing window. The large wood burner and flue is set upon a tiled hearth in a wide chimney breast with substantial oak mantelpiece above. Again, alcoves each side have fitted shelving. The room has pine floorboards, a ceiling light fitting, radiator and door leading to stairs down to the lower ground floor.

Stairs to lower ground floor

A window at ground level brings natural light into this area, with carpeted stairs with a handrail on the left leading downwards. The hallway has a quarry tiled floor, ceiling light fitting and doors to the kitchen-diner, utility room and pantry.

Kitchen-Diner

13'1" x 12'5" (4 x 3.8)

A tall south-facing window and half-glazed door to the courtyard garden make this a light room. It has a quarry tiled floor, high ceiling with two light fittings, radiator and a modern fitted kitchen with granite worktops. In the centre is space for a 4-6 seater dining table.

On the left, the granite worktop has a range of high and low level fitted cabinets and drawers. To the right of the door out to the courtyard garden is a long L-shaped granite worktop. There are a large number of high and low level cabinets including an integral Kenwood dishwasher and pull-out bin cabinet. Beneath the window is a large ceramic Belfast sink with swan-neck chrome mixer tap. Set within an imposing original fireplace is a Britannia stove with four-ring gas hob, warming plate and ovens. At the right-hand end is space for a fridge-freezer, with a wall-mounted pine dresser on the far wall.

Utility Room

12'5" x 3'11" (3.8 x 1.2)

This useful room has a quarry tiled floor, window, shelving, ceiling light fitting and space and plumbing for a washing machine. The room also houses a modern Worcester boiler.

Pantry/Storage

15'8" x 7'2" (4.8 x 2.2)

This large room has stone walls, a stone floor and space for appliances and storage.

Stairs to first floor landing

From the entrance hallway, carpeted stairs with a handrail on the right lead up to a galleried landing, with a window offering elevated views to Riber Castle and Masson Hill. Doors lead into two double bedrooms, family bathroom and under-stairs cupboard. A sliding door reveals stairs up to Bedroom Three.

Bedroom One

12'9" x 9'10" (3.9 x 3)

With fantastic elevated south-facing views through the triple-glazed window, this double at the rear of the home has pine floorboards, a ceiling light fitting and radiator. There is also a display area within the former chimney breast and a painted exposed stone wall.

Bedroom Two

11'5" x 9'10" (3.5 x 3)

This double bedroom at the front of the home has pine floorboards, a radiator and ceiling light fitting.

Bathroom

8'2" x 5'6" (2.5 x 1.7)

The modern bathroom has contemporary tile-effect laminate flooring, part-tiled walls, a chrome heated towel rail, ceiling light fitting and frosted triple-glazed window. The bath has a chrome mixer tap, mains-fed shower with monsoon and standard shower heads, and a pivoting glass screen. There is also a high quality Ideal Standard pedestal sink with chrome mixer tap and ceramic WC.

Bedroom Three

15'8" x 11'9" (4.8 x 3.6)

A sliding door on the first floor landing opens to carpeted stairs, with a radiator on the left. This huge double bedroom is dual aspect, with two Velux windows on the left and a window at the front offering views up to Rockside Hydro and to the hillsides north-west of Matlock. It's a very light and airy room with an exposed beam and a pine door, which opens to reveal loft storage along the length of the room. The room is carpeted and has a ceiling light fitting and lots of space for a bed and furniture.

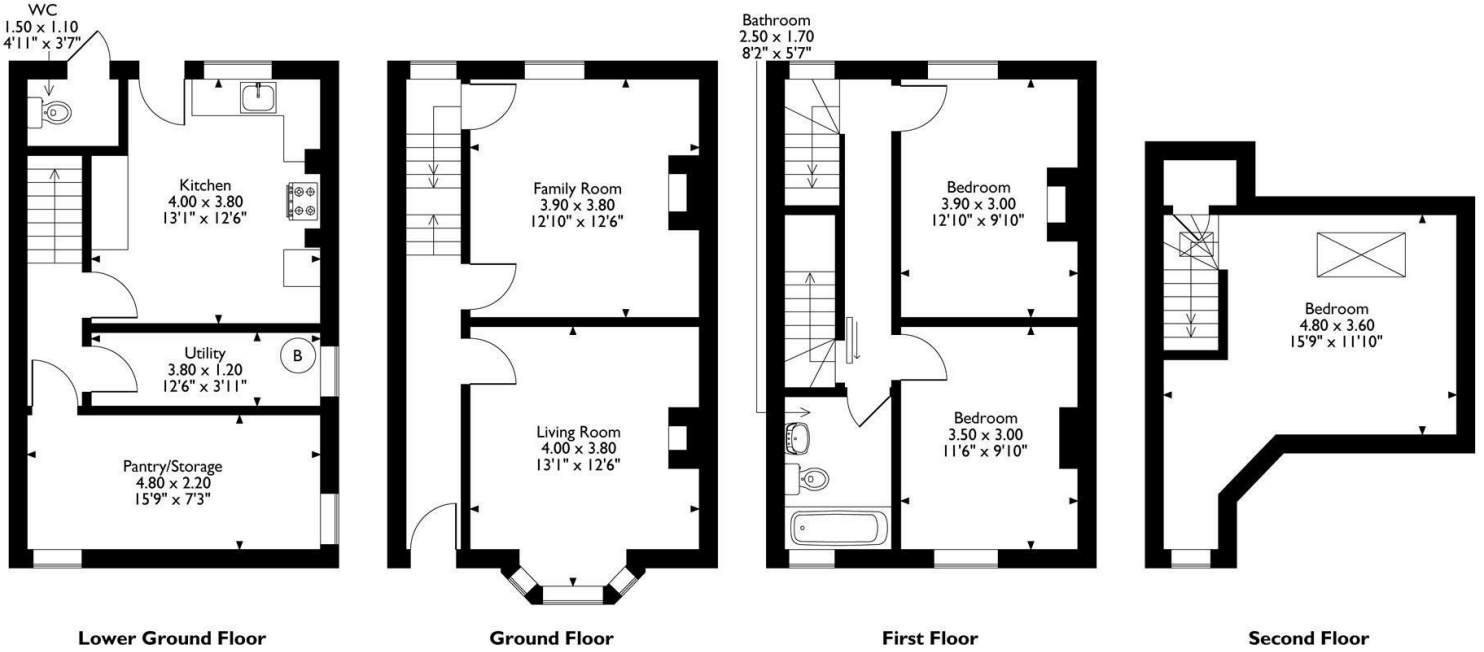

Courtyard Garden

This sheltered garden has a dining patio with wall-mounted light, pergola and small flower bed. Timber fences on two sides and a low stone wall on the right form the boundary. Beside the patio is a door to a WC and storage area, with ceiling light fitting. A timber gate opens to five steps down to the parking space on the right.

The L-shaped raised grassy area beyond the parking space that wraps around the rear of the adjacent garages is included in the sale of this home.
