22 Crofton Way, Warsash, Southampton, SO31 9FP

£1,250,000 Freehold

Situated on the highly regarded Crofton Way in Warsash and offered for sale with no forward chain, Gunwalloe is an attractive detached family home offering generous accommodation, a superb plot and excellent potential for enlargement, all within easy reach of the River Hamble and village amenities.

The property is approached via gates onto a large block paved driveway providing ample parking and access to the double garage. An appealing front façade creates an immediate sense of presence.

The entrance hallway gives access to all principal ground floor rooms. The lounge runs the full depth of the house with a triple aspect and doors into the conservatory, creating a bright and spacious main reception room. To the rear, the kitchen and separate dining room sit adjacent to one another, offering clear potential to open up into a spacious kitchen/diner (subject to the necessary consents). A separate study provides additional flexibility, while a convenient downstairs WC completes the ground floor accommodation.

A utility room off the kitchen has external access to the front, ideal for muddy boots or dogs, and internal access to the double garage.

Upstairs are four well-proportioned bedrooms, including a principal bedroom with en-suite, together with a family bathroom. The loft is of a good size and offers potential for conversion (subject to planning), with scope to enhance views towards the River Hamble.

Planning permission was granted in 2002 (now lapsed) to extend over the garage to create additional first floor bedroom space, demonstrating clear scope for further enlargement subject to renewed approval.

The rear garden is a particular feature, larger than many neighbouring plots and beautifully maintained, offering privacy and, from certain points, glimpses towards the River Hamble.

A substantial home in one of Warsash's most sought-after roads, combining space, position and future potential.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		74
(55-68) D	65	
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales	EU Directive 2002/91/EC
