DESCRIPTION

A rare and versatile investment/development opportunity comprising two adjoining single-storey residential properties, currently configured as two HMOs providing six and three bedrooms respectively.

The properties are in need of modernisation and are offered for sale with vacant possession, providing an incoming purchaser with considerable flexibility to refurbish the accommodation to suit their requirements. Once renovated, the properties are anticipated to offer a combined rental income in excess of £70,000 per annum.

The properties offer potential for a variety of uses and development opportunities, subject to the necessary planning and other consents, including:

- Continued HMO use, following refurbishment.
- Conversion and refurbishment to provide two individual bungalows.
- Conversion to create multiple self-contained flats.
- A range of commercial uses, subject to planning.

There may also be potential to add a further storey to the existing buildings, creating additional residential accommodation, subject to obtaining the necessary planning permission and consents.

Offered for sale with vacant possession and providing a range of potential exit strategies, this is an opportunity likely to appeal to investors, developers and owner-occupiers seeking a property with scope to add value through refurbishment, redevelopment or alternative use.

LOCATION

The properties are situated on Britannia Road in Kingswood, a popular and established residential area approximately 5 miles east of Bristol city centre. The location benefits from a good range of local amenities, with Kings Chase Shopping Centre and the wider Kingswood centre providing a variety of shops, cafés, restaurants and everyday facilities nearby. There are also a number of well-regarded schools in the surrounding area, including John Cabot Academy, Two Mile Hill Primary School and Beacon Rise Primary School.

The area is well served by public transport, with regular bus services providing access towards Bristol and surrounding areas, while Lawrence Hill railway station is approximately 3.5 km away.
