- Highly Convenient Location
- EPC Rating D

Substantial Mixed-Use Investment and Development Opportunity

A rare opportunity to acquire two adjoining High Street properties held under a single merged title, offering a combination of existing HMO accommodation, commercial space and significant development potential.

The property comprises a ground floor commercial premises together with a lower ground floor area currently arranged as nine marked-out rooms requiring redevelopment. The building as a whole requires a programme of refurbishment and modernisation, providing purchasers with the opportunity to add value and reconfigure the accommodation to suit a variety of uses, subject to the necessary planning consents.

The upper floors are currently arranged as two HMOs:
5 High Street – 4-bedroom HMO (historical)
7 High Street – 6-bedroom HMO (current)

In addition, there are two attic rooms, offering further accommodation and potential for improvement (subject to building regs).

The residential accommodation is currently served by a total of four bathrooms and three kitchens across the two properties.

The layout and size of the building present clear opportunities for redevelopment, with scope to create additional bedrooms, self-contained apartments or alternative residential accommodation, subject to planning and building regulation approval.

Situated in a convenient and well-established rental location, the property is approximately 200 metres from Bangor Railway
