Views of Rushmere Heath

With one of the best views of Rushmere Heath from the first floor windows, and literally a few feet from the heath, you couldn't get a more idyllic and convenient location for golfing, dog walking, cycling etc. Add to this, the cul-de-sac nature of the position and the fact that you are only ten minutes walk to Ipswich hospital and the row of local shops, and less than two minutes to a bus stop, you would be hard pushed to find a large family home in a better spot.

Additional Info

The position of the property, adjacent to the heath, also has the benefit of being less than ten minutes walk to Ipswich hospital & the row of shops at the junction of Heath Road & Woodbridge Road East including a Co-op supermarket & petrol station. Bus routes into town in one direction & towards Kesgrave / Martlesham Heath / A12 in the other direction, are less than two minutes walk away.

The entire property is well presented, has full gas heating via radiators & UPVC replacement double glazed windows & doors throughout.

Camberley Road is a cul-de-sac leading simply to the properties within Camberley Road & the golf club. It is not a through road.

You would be hard pushed to find a more idyllic & convenient location in Ipswich & we are expecting a huge demand for this property as a result. Please act quickly to ensure that you don't miss out.
