Matchams, Ringwood, BH24 2BZ

Situated within the exclusive cul-de-sac of Matchams Close in Ringwood, this impressive family home offers an exceptional standard of accommodation. Built by Bloor Homes in 2001, the property provides approx. 3,500 sq ft of beautifully presented living space, ideally suited to growing families and professional couples.

Please note that the marketing photographs were taken approximately 18 months ago. Since then, the property has benefited from a number of significant improvements, including decorative modernisation, new windows, a new boiler and newly installed electric garage doors, all of which have further enhanced the overall presentation.

Finished to an excellent specification throughout, the ground floor features three generous reception rooms, including a double-aspect sitting room opening onto the rear garden, a formal dining room and a separate study. The well-appointed kitchen offers granite work surfaces, integrated appliances, a Bosch oven, range-style cooker and stainless-steel extractor canopy, complemented by a separate utility room and cloakroom.

To the first floor, a galleried landing leads to four well-proportioned double bedrooms. The principal suite enjoys a luxurious en-suite bathroom, the second bedroom benefits from a large shower room, while bedrooms three and four are served by a spacious family bathroom.

Outside, the property offers driveway parking for two to three vehicles, a double garage with new electric doors, and a landscaped rear garden designed for low maintenance, featuring a generous patio ideal for entertaining.

Set in a highly sought-after location with excellent commuter links to London and Southampton, close to the New Forest National Park, coastline and local amenities, an internal inspection is strongly recommended to fully appreciate the scale and quality of this impressive home.
