## THE PROPERTY

Monmouth Park is a very attractive and exclusive development of just eight high quality and very attractive Regency style detached houses, which were traditionally built in circa 2023 by the developers Blakesley Estates, with the benefit of a ten year warranty.

Number 9 occupies a choice corner position and enjoying a very sunny rear aspect with extensive views over Lyme Regis to the sea. Under the same ownership since new, a whole number of additional extras/improvements have been added.

The well presented, well proportioned and spacious accommodation is very versatile, to suit a whole range of buyers and the lower ground floor offers great potential for the creation of a self-contained annexe for a dependent relative etc.

The impressive specification includes gas-fired central heating (underfloor to the middle and lower floors), PV panels with battery and EV charger, uPVC low maintenance sash and small pane style windows, well equipped kitchen with contemporary units and comprehensive appliances (AEG electric double oven, induction hob, fridge/freezer and dishwasher), attractive contemporary bathroom/shower room fittings, engineered oak flooring to the middle and lower floors, oak veneer internal doors and built-in wardrobes to many of the bedrooms.

Further excellent features of the property are the larger than average west-facing rear garden incorporating a quality studio/home office and luxury pergola.

Viewing of this lovely home is strongly recommended by the sole agents, Stags.
