SUMMARY

Guide Price £325,000-£350,000. Offered to the market with no onward chain, this detached two-bedroom bungalow in need of light modernisation throughout, offers terrific potential to improve and extend (subject to planning permissions and building regulation approval). Enjoying a desirable position in Exminster, the property stands within impressive gardens and a sizeable plot with an attractive outlook across the village. Exminster is a sought-after village just outside Exeter, offering the perfect blend of rural charm and modern convenience. Surrounded by rolling Devon countryside and close to the River Exe, it has a friendly atmosphere that appeals to a broad audience.

The village has an excellent range of everyday amenities, including a well-regarded primary school, a GP surgery, a pharmacy, and a convenience store. For commuters, Exminster is exceptionally well placed. Exeter city centre is only a short drive away, while the M5 and A38 provide easy access across the region. Nearby rail links at Exeter St Thomas and Exeter St David's connect directly to London, Bristol, and the wider South West.

Inside, the property features two well-proportioned double bedrooms, a bright living room with a large picture window capturing views across the village, a fitted kitchen, and a modern shower room. A spacious conservatory extends the living accommodation and provides a lovely spot to relax while overlooking the garden.

The rear garden is a standout feature — mature, thoughtfully planted, and arranged with a wide variety of shrubs and trees, resulting in a beautiful and well-established garden. It offers excellent privacy and plenty of space for those who enjoy gardening or outdoor living. A greenhouse and garden shed provide useful storage and growing opportunities.

To the front, the bungalow is set well back from the road behind an extensive lawned garden, with a long driveway leading to a single garage, offering ample parking.
