Overlooking the water and having ease of convenience to Darlington's town centre, train station and the historic South Park the property at Victoria Embankment is a characterful Three Bedroomed period property boasting generous accommodation throughout.

Having been a much loved home of the current vendors it is now available for sale with no onward chain and will make a wonderful home for a number of buyers. The location has been ideal for access to a host of amenities and local schooling along with rail and road links.

The accommodation is set across three floors, with two spacious reception rooms and a good sized kitchen and a garden room extension. To the first floor there are four well proportioned bedrooms all serviced by a family bathroom/WC. The attic space is easily accessible and is boarded.

Externally the forecourt is enclosed by traditional wrought iron railings whilst the courtyard to the rear is a pretty space with water tap and a single gate for access to the rear service lane. The property also benefits from a cellar providing useful storage. The property is double glazed and warmed by gas central heating. Many original features remain adding period charm.
