Guide price £325,000 to £350,000

About the property

Occupying a pleasant position towards the end of a cul-de-sac, this well-presented four-bedroom detached home has been thoughtfully updated by the current owners over the past four years, creating a property that is ready to move straight into. The accommodation begins with an entrance hall leading to a bright living room, where a bay window provides plenty of natural light. A particular highlight of the home is the stylish refitted kitchen/breakfast room, thoughtfully designed with both practicality and appearance in mind. It features a range of contemporary units, fitted appliances, deeper base cupboards for additional storage and a wider work surface, creating a more functional workspace. There is also space for a small breakfast table. Complementing the kitchen is a matching utility room, fitted with the same quality units and worktops together with a sink, providing excellent additional storage and workspace. The utility room also gives access to the updated ground floor cloakroom, while a separate internal door from the kitchen leads directly into the garage. Completing the ground floor is a conservatory overlooking the rear garden, offering an additional reception space. Upstairs, the property offers four bedrooms, including two comfortable double rooms. The principal bedroom benefits from an en-suite shower room, while the family bathroom has been replaced in recent years. The en-suite remains an opportunity for a buyer to update in their own style, completing the improvements already made throughout the rest of the home. PLEASE NOTE: The lawn has been digitally enhanced in some photographs for marketing purposes.

Outside

Outside, the property enjoys a private rear garden, predominantly laid to lawn with a patio adjoining the rear of the house. The garden is enclosed by fencing and mature trees, providing a good degree of privacy, while a timber shed offers useful external storage. To the front, a driveway provides off-road parking for one vehicle and leads to the integral garage, offering additional parking or useful storage if required.
