SITUATION

A well-presented and generously proportioned home arranged over three floors, enjoying a private, established garden in a quiet Cul-De-Sac. The village of Cotford St Luke provides a useful selection of day-to-day amenities, including a convenience store, and primary school, while the county town of Taunton lies approximately six miles distant, offering an extensive range of shopping, leisure and schooling options, along with access to the M5 (J25) and a mainline railway station.

ACCOMMODATION

The property is entered via a welcoming hallway with cloakroom and useful storage, leading through to a striking contemporary kitchen/breakfast room forming the heart of the home. This light-filled space enjoys views over the garden with full-height windows and door opening onto the terrace, and is fitted with an extensive range of modern units, integrated Neff appliances and a movable central island with breakfast bar. A separate seating area and adjoining utility room provide further practicality. The ground floor also offers excellent living space, including a dining room with front aspect, a spacious sitting room with full-height windows and door to the terrace and a contemporary gas fire, and a study well suited to home working.

On the first floor, the principal bedroom benefits from an en suite shower room, with three further double bedrooms served by a well-appointed family bathroom. The second floor provides two further versatile rooms with fitted storage and natural light, ideal as additional bedrooms or workspace, together with a shower room. All six of the bedrooms have built-in wardrobes.

OUTSIDE

The property enjoys a particularly private and mature garden, principally laid to lawn with paved seating areas and well-stocked borders, along with a feature gravelled Japanese-style garden. A detached double garage provides excellent storage and workshop space, with power and light connected. To the front, a private driveway offers ample parking for several vehicles.
