COMMUNITY, CONVENIENCE AND OPEN SPACE

Allison Homes at Priors Hall Park is an exciting new collection of 1, 2, 3, 4 and 5 bedroom homes within the sought-after Priors Hall Park community on the edge of Corby. This development has been carefully designed to offer modern living in a setting that combines green open space with market-town charm.

Attractive surroundings, tree-lined streets and landscaped open spaces characterise this thriving community that is perfect for everyone from first-time buyers and growing families to downsizers.

Everyday essentials are close at hand thanks to the district centre at Holland Square, where you'll find a Sainsbury's Local, pharmacy, café and a selection of services. Add to this play areas, walking routes and community events, and you have all the ingredients for a better quality of life.

Corby town centre adds even more choice, with everything from family-friendly restaurants to cosy cafés, it's perfect for brunch with friends, running errands, or enjoying an evening

out. Alternatively, a day trip to the popular Rushden Lakes brings together big-brand shopping, waterfront dining and woodland trails.

For something a little different, the historic towns of Stamford and Uppingham are located within half an hour and offer charming streets lined with independent boutiques, bakeries, delicatessens and eateries.

Staying active is easy with a wealth of local leisure opportunities. Corby East Midlands International Pool, a choice of sports centres and The Core at Corby Cube provide a great choice of fitness, arts and entertainment.

Priors Hall Park itself includes well-designed open spaces for walking, running and meeting neighbours. Additionally, nearby Weldon Woodland Park is ideal for family outings, while the countless footpaths that criss-cross the beautiful surrounding countryside offer endless opportunities for adventure. Whether it's picturesque trails at Fineshade Wood or watersports at Rutland Water, the region is full of choice.

Families are well catered for, with a strong selection of schools in and around the area. You'll find high-quality primary education and nursery provision as part of the Priors Hall community, just a short walk from home. Older children can benefit from respected secondary schools in Corby, as well as further education opportunities at Tresham College.

Travellers will appreciate excellent transport links from Priors Hall Park. Corby railway station is an eight-minute drive away and offers direct services to London St Pancras in just over an hour – ideal for commuters.

By road, the nearby A43 connects quickly to the A14 and major road networks, opening up convenient routes across the region and putting Luton Airport and East Midlands Airport both within 90 minutes.

ALL ABOUT THE QUALITY

Synonymous with the quality of design and craftsmanship associated with all Allison Homes developments, all the houses at Priors Hall Park benefit from a high standard specification that includes flooring and turf.

This includes contemporary kitchens with steel splashbacks, integrated appliances (on selected homes), a ceramic or induction hob and chimney-style extractors.

In all homes the bathrooms and en suites feature white sanitaryware. To help reduce energy bills, all homes feature thermostatic radiator valves to all habitable rooms. Low energy LED down lights to the kitchen, bathroom and en suite also come as standard.

“

We know we are not just building houses, we are creating the most important spaces in people's lives that our customers will love to live in now and throughout the years ahead.

”

“

Each home at Priors Hall Park has been designed to maximise light and space and, according to location, comes equipped with a 7Kw EV Charger.

”
