This much loved three bedroom family home in Stalybridge has been in the same family for 62 years, and the time has now come for someone new to make their own memories here. With a larger than average floorplan and plenty of potential for modernisation, it's a great opportunity for buyers who want to put their own stamp on a property. The added benefit of no vendor chain also makes for a smooth and straightforward move.

At the front, a neat, low maintenance garden welcomes you in. Step through the front door into a small vestibule that opens into the hallway, where the stairs lead up to the first floor. To the left is a generous 20 foot long reception room with a bay window at the front and patio doors at the back that open onto the garden. To the right is a spacious dining room with another bay window and handy under stairs storage, which then leads through to a well sized kitchen with a useful pantry just off it.

Upstairs, you'll find a comfortable master bedroom with its own en suite shower room, along with two further double bedrooms. There's also a good sized family bathroom that includes a dressing area.

The rear garden has been designed to be easy to look after, with an artificial lawn, patio areas and a small ornamental pond. A freestanding detached garage sits at the
