The kitchen has a range of cream wall and base units and coordinating work tops, built in oven, hob and extractor hood, space for washing machine, integral dishwasher and fridge/freezer, double glazed window overlooking the large rear garden and decking. An archway from the kitchen leads to the open plan living/dining room with large picture windows to front, side & rear giving different views and perspectives of the garden and surrounding landscape. **Outside**

The property is located on the edge of Eywas Harold Common up a short track called Dicks Pitch which local historians claim the name comes from an inhabitant of the lane back in the recent past. The lane gives access to only two properties and Hill Crest is the first property on the left hand side. Through double gates in to the extensive flat parking area providing space for numerous vehicles and leads to the detached timber framed oversized garage/workshop with plenty of power & light and is ideal for tinkering, storing or creating and there is also a further wood shed at the far end of the driveway. From here the full extent of the garden can be appreciated but around the side of the garage are some steps which takes you past the front of the property through to a paved & walled patio area with more stunning views. On this side of the garden is a potting shed, and further storage shed & steps leading down to the rear of the property with a full width decked area ideal for taking in those magnificent views whilst sipping a tippie of choice - this is an ideal entertaining area and many an hour can be spent enjoying the south facing landscape.

The gardens are a joy to behold and the current owners have spent much of their time improving the quality of the flower beds, vegetable gardens and there are various flat lawn areas giving way to the the two tiered larger lawn area, with mature trees, fruit trees, shrubs and flowers extending to approximately 0.7 acre.
