Property Description

This spacious and charming characterful home is filled with smart design choices and is sure to delight anyone who visits. The area is semi rural but very well connected to Kingsbury Village and Tamworth sitting off Trinity Road and surrounded by fields.

The spacious shared courtyard that provides lots of off road parking sits behind motorised gates and leads into the welcoming entrance hall that sits below the galleried landing above. Facing the home, the right wing of the ground floor provides private accommodation including two bedrooms, a living space and a bathroom. This area has a robust track record on AirBnB generating up to £20,000 a year for the current owners, but would also be ideal for visiting relatives or multi-generational living.

Returning to the entrance hall, there is a guest W.C and stairs leading to the first floor. The ground floor is completed by a spacious kitchen with a central island and access to the rear. A central lobby gives access to a utility room, and then on to a bedroom with built in wardrobe space. A large and bright lounge completes the ground floor.

Upstairs, in addition to useful storage and a well appointed bathroom, there are two further bedrooms. The principal bedroom is suitably large with no compromises and features a spacious walk in dressing room and large en suite that is best seen in person to appreciate.
