Property Details

An expansive two double bedroom apartment with a large South-facing shared garden, set within a handsome and detached double-fronted Victorian house. Generously arranged over the first floor, this bright and beautifully presented home benefits from high ceilings, large rooms, and charming character throughout. The impressive open-plan reception spans over six metres, bathed in natural light from a front-facing bay window overlooking a neighbouring playground. Ideal for entertaining, this sociable space flows into a sleek kitchen, fitted in 2020 with gloss cabinetry, integrated appliances, a metro-tiled splashback, and a breakfast bar. Both double bedrooms are well-proportioned and positioned at opposite ends of the home, offering privacy for sharers or guests. The huge principal bedroom enjoys serene garden views, while the second is also generous with another bay window. A stylish bathroom completes the internal layout. Another standout feature is the beautiful South-facing garden: a sunny, green haven shared by house-proud neighbours.
