The property is on the ground floor, with its own front door, with entrance hall, sitting/dining room with gas-fire, modern kitchen, large double master bedroom, second bedroom and shower-room. The property has gas-fired central heating, double-glazed UPVC windows, a very long lease (of over 900 years) and is being sold with no forward chain. The gardens are a major selling point of the apartment with a good-sized front garden with rose beds, lawn and sunny decking area as well as a second very private area of decking, hidden away around the back and accessed from French doors out of the master bedroom. There is also a garage en-bloc accessed down the driveway to the side of the apartments. If you like your privacy, but also want to be within a stone's throw of everything that Hertford has to offer, this apartment is well worth a look.

### Location

This ground floor apartment sits in a tucked away location in a very good central location just a few minute's walk from Hertford East Station and Tesco, and around a five minute walk from the town centre. Hertford's second station, Hertford North, is around a 15-20 minute walk away across Hartham Common and it is also a short drive from the A10 and A414 leading to the A1/M25, so it is a very convenient location for commuters. Hertford has a very good range of local facilities such as shops, restaurants, an excellent market and supermarkets (Tesco and M&S are all a short walk away), yet is also an attractive and very pleasant place to live. The town is surrounded by some very beautiful countryside and has a wide range of sporting and leisure pursuits close to hand, including Hartham Common with its riverside walks, Activity Centre, swimming pool and tennis courts.
