

Flat 18

Ardleigh Court Hutton Road, Shenfield. CM15 8LZ

Occupying the top floor of Ardleigh Court, and offered with no onward chain is this spacious two-bedroom apartment which enjoys an exceptionally convenient setting at the upper end of Shenfield Broadway, just a few minutes' walk from the station. Providing approximately 710 sq ft of well-arranged accommodation, the property offers comfortably proportioned rooms together with the flexibility to create a more contemporary open-plan layout if desired. The entrance hall provides a practical introduction to the apartment, with a useful storage cupboard and doors leading independently to each room. The principal living space is the particularly generous lounge, with a broad expanse of glazing bringing in plenty of natural light, while glazed doors open to a Juliet balcony. A fireplace provides a focal point and the room has ample space for both seating and a dining area.

The separate kitchen is fitted with a range of wall and base units, work surfaces, a built-in oven and hob, together with space for further appliances. Importantly, permission has already been obtained to remodel the interior and create a large open-plan kitchen and living room, giving a purchaser the option to transform the main living space while retaining two bedrooms. Both bedrooms are accessed from the hallway. The principal bedroom is an excellent double with fitted wardrobes, while the second bedroom would work equally well as a guest room, child's room or dedicated home office. The bathroom is fitted with a three-piece suite, and further built-in cupboards provide valuable additional storage.

Outside, residents enjoy attractive communal grounds and parking, with the apartment benefiting from two parking permits. Shenfield Broadway's shops, cafés and everyday amenities are close at hand, while Shenfield station provides Elizabeth line and Greater Anglia services to London Liverpool Street. The combination of spacious accommodation, genuine layout potential and such a convenient position makes this an appealing home for commuters, first-time buyers, downsizers or investors.
