A handsome SIX bedroom detached residence set in the heart of Stretton-under-Fosse, this substantial village home sits on approximately one third of an acre and enjoys open farmland views to the rear. Dating back to 1880. Externally there is off road parking for four cars and a detached double garage. The house benefits from gas central heating and Upvc double glazing throughout.

Inside, the accommodation is spacious and characterful, beginning with a welcoming hallway that connects the main reception rooms. The large fitted kitchen is complemented by a separate utility room, while the ground floor also offers a generous lounge, a formal dining room, a cosy sitting room, a study, a cloakroom and a shower room. Both the lounge and dining room feature beautiful cast-iron working coal fires, adding warmth and charm to the living spaces.

Upstairs, six well-proportioned bedrooms provide excellent family accommodation, with the master bedroom enjoying its own ensuite. A four-piece family bathroom completes the first floor.

Stretton-under-Fosse offers an appealing rural setting while remaining well connected to Rugby, Coventry and Royal Leamington Spa, with convenient access to major road and rail networks. The village itself benefits from a popular farm shop and café, while the nearby village of Brinklow, just two miles away, provides further amenities including general stores, a fish and chip shop, a doctor's surgery, a first school, a preschool and a private nursery.
