This attractive 1930s semi-detached home is situated in a highly regarded residential position within the West End of Clevedon, just a short stroll from the local Post Office, Marine Lake and the open green and coastal spaces of Marshalls Field. Offering generous accommodation and now in need of updating, the property presents a wonderful opportunity for buyers to create a superb family home, with excellent potential to extend, subject to the necessary consents.

In brief, the accommodation comprises an entrance hall with stairs rising to the first floor, a bright bay-fronted living room flooded with natural light, and a separate dining area which flows seamlessly into the conservatory. The galley-style kitchen also provides access to the conservatory, a delightful space enjoying a pleasant outlook over the garden and direct access outside. To the first floor, there are three bedrooms, including a bay-fronted principal bedroom and a well-proportioned second double bedroom, together with a third bedroom ideal as a nursery, home office or child's room. A family bathroom completes the accommodation.

Outside, the property benefits from a driveway to the front providing off-road parking, with a pretty garden set behind a low-level boundary wall, adding to the home's kerb appeal. To the rear, the established south-facing garden is a particular highlight, enjoying a sunny aspect with two patio areas ideal for summer barbecues, a level lawn and a variety of mature trees and shrubs creating a pleasant and private setting.

Offered for sale with no onward chain, this is a fantastic opportunity for those seeking a home their family can grow into, in one of Clevedon's most desirable locations.

“A classic 1930s home brimming with potential, perfectly placed for family life by the coast.”
